

B.E.E. Folder

is an acronym for **B**ring **E**verything **E**veryday.

B.E.E. [Bring Everything Everyday] Folder

This folder should live in your child's backpack.

The B.E.E. folder will hold all important information the center of the folder, reading log and calendars in the folder prongs (this information will change from time to time and **should remain in the folder at all times**), homework and anything that is to be completed and returned will be on the left-hand side, completed and/or other information on the right-hand should stay home. **This folder MUST come to school everyday. NO EXCUSES!!!**

Please know that it is your child's responsibility to remember this folder and their homework on Friday. I have a policy/rule in our classroom – “No Folder / No Homework / No Backpack = No Recess”.

BEE Folders are important! They will help your child to establish good organization skills and those skills will carry with them throughout their academic career. It also helps to establish a sense of responsibility.
