

Monthly Homework Project – May – Our Favorite Things

This project is DUE: Friday, May 20th or sooner...☺

A Few of Our Favorite Things

For your last project, you and your family will need to do three things:

1. Students need to complete a questionnaire for your teacher and classroom.
2. Parents need to complete a questionnaire for your teacher and classroom.
3. Students need to decide on their favorite thing that happened in class this year in 4th grade. Then, students will use the paper they are given in class to write, draw, or create something that shows their favorite thing from this year. You may use any kind of materials you choose for this project. Be creative and have fun!

This project is NOT GRADED; however, it is worth 15 extra credit points if all 3 parts are completed (5 extra points for each part) and returned. The 15 points will be included in your final overall grade for the 4th quarter.

Questionnaire

Mrs. Honeycutt • Saddleback Elementary School • 2009-2010 School Year

*Please complete this survey. This is a survey for my classroom purposes – it is not for the school or the school district. Thank you for your support. ☺ **I value your feedback.**

My classroom was a great place for learning	Yes	No
I liked where I sat in the classroom	Yes	No
I liked coming to school	Yes	No
My teacher had control of my classroom	Yes	No
