- **Thursday, May 24 –**  
Last Day of School!

**LAST DAY of SCHOOL is Thursday, May 24<sup>th</sup>.**  
*\*This is an early release day.*

### MAY MONTHLY PROJECT

May Monthly Project – for the month of May, your child will complete 3 part: a Student Survey, a parent survey, and a paper about their favorite part of 4<sup>th</sup> grade. This project is worth 15 points extra credit which will go towards all grade areas, if completed. It is due on Friday, May 18<sup>th</sup> or sooner.

### WATER DAY

Just as a note, Water Day is on Friday, May 18<sup>th</sup>. In order to participate in water day, students **MUST** be in good behavior standings both in the classroom and at school and have **ALL** missing work completed. Please let me know if you have any questions.

### GALILEO ASSESSMENT

FINAL Galileo assessment will be occurring this week. It is the end of the school year and this assessment analyzes what students know for the end of the 4<sup>th</sup> grade and help to determine important information as students move to the next grade level. **It is imperative that your child is prepared and rested for this test.** Please make sure that your child gets extra sleep during the next two weeks. Even though AIMS is over, we have more to do before the school year ends. If you have any questions, please let me know.

### WEATHER IS GETTING HOT!

It is that time of year again, the weather is warming up. Please dress for the weather.

### GET READY FOR GALILEO ?CAN YOU ANSWER THIS MATH QUESTION?

Which invention has technology that helps people keep food fresh for a long period of time?

- A dishwasher
- B refrigerator
- C electric mixer
- D microwave oven
